- ★ Juniors under 18 can purchase permits at 50% (except Starter Season Permit).
- ★ Juniors under 18 can fish free with adults providing they share the daily and season bag limit.
- ★ Part-day boat hire can be booked within 5 days of fishing date.
- ★ Senior Citizens can hire a boat every Tuesday throughout the season for £16.00 at all four fisheries. Single man £12.00. July and August Season Permit holders mid-week boat hire £18.00 at all four fisheries. £13.00 for single man.

ANGLIAN WATER SEASON PERMITS 2010 EXPLAINED

GOLD£729.00

For 300 days of fishing freedom.

For those who want to fish two, three or more times each week and expecting to catch a lot of fish which they want to take home but also catch and release on the red letter days. This permit is valid every day from opening day to 31 December at all four waters and no bag limit beyond those of the day permit. Includes 3 guest permit.

SILVER£565.00

Great value for the frequent angler.

If you fish more than once each week and expect to catch up to 300 in the season then this permit is ideal for you, valid to 31 December. Silver permits include all four trout fisheries and up to 3 days at Ravensthorpe each week of the 42 week season... that's only just over £4.00 per day!

BLUE£445.00

Catch & release with a bit extra.

For anglers who prefer catch and release most of the time for example two days a week at Ravensthorpe or more elsewhere this permit is perfect for you. In addition to catch and release you can nominate 8 days with a full bag limit so you can enter club competitions and other events. Blue permit holders can fish until the 31 December.

GREEN£475.00

Value for money.

For those who fish one or two days and evenings each week, and whose annual catch totals less than 160 fish. You can select any eight months from March to December or pay an additional £40.00 for 10 months fishing, which must be decided at the time of purchase. The permit allows two days catch and release each week at Ravensthorpe only. Includes one guest permit.

ECONOMY£360.00

Not everyone can fish more than once each week or perhaps they are new to the sport and not catching many fish. This permit gives you one day catch and release per week at Ravensthorpe only but unlimited visits elsewhere providing you catch less than 75 trout over the season. You can select any eight months from March to December.

STARTER£210.00

If you have completed one of our day courses then you can take up this low cost option for your first seasons fishing. It gives you freedom to try all four reservoirs with a daily limit of two fish plus C&R and 75 for the season, a great way to start. This permit is limited to two seasons but you get a loyalty discount when you upgrade to a full permit the following year. You can select any eight months from March to December. Price pro rata from June to December.

All prices inclusive of VAT.

FISHING FOR PIKE 2010

ANGLIAN Water reservoirs and lakes offer great coarse fishing for pike and zander.

The Predator Season Permit costs £199.00 (inc VAT) plus normal boat fee which allows you to fish in accordance with individual reservoir rules.

A daily predator permit is also available for boat anglers fishing at Rutland, Grafham and Pitsford Water.

This enables the holder to fish with flies over 10cm, using a wire trace for pike and zander from 16 June onwards.

Single-manned boats are available at all reservoirs. Lures can be used at Pitsford from 16 June on set dates and deadbaits may be used from 1 October.

The predator permit costs £15.00 plus normal boat fees.

Trout season permit holders can fish within these rules by paying the usual boat fees. All trout, and any pike over 12lb must be returned to the water alive. Three boats are also available at Ardleigh from May to October.

Anglers must only use the boats and engines provided.

PIKE FISHING DATES AT RESERVOIRS

Boat fishing with lures over 18cm only at Pitsford Water

Alternate weeks Monday to Friday, commencing 16 and 28 June; 12 and 26 July; 9 and 23 August; 6 and 20 September.
