AW015/10/07

Welcome to Anglian Water's purpose built mobile education centre which provides an exciting range of hands on activities for school children. The centre includes:

- attractive displays
- interactive whiteboard
- water saving models and demonstrations
- see through toilet and sinks

The centre can take a maximum of 15 children, and lessons are run by experienced facilitators. Teaching sessions are designed around delivering the science and geography National Curriculum and other cross curriculum themes at key stage 2.

#### Topics included:

- A look into why water is such an important resource and why it shouldn't be wasted, with the help of on-board resources.
- An overview of the Water Cycle and the role Anglian Water plays within it.
- An examination of the properties of sewage and how wastewater is treated.
- A look at global issues based around the provision of water and sanitation and we discuss the work that the charity WaterAid does.
- A new session looking at the impact that climate change will have on the region in future.
- A visit from our Superhero Captain Splosh who can explain about the importance and health benefits of drinking water.
- A range of lesson plans and activities that you can use in your classroom.

#### What's more...

...we can work with you to plan lessons to meet your specific needs and are always developing new activities.

#### Visitor comments:

"A fantastic visit which fitted in extremely well within our current geography topic based on the environment."

**Brampton Junior School, Huntingdon**

"Sessions were a perfect length and well suited. Enjoyable and entertaining. Great assembly too!"

**Kings Hedges School, Cambridge**

"Very enjoyable and educational"

**Little Melton Primary School, Norfolk.**

#### To arrange a FREE visit to your school, please contact:

Education Team, Anglian Water, Anglian House, Ambury Road, Huntingdon, Cambs PE29 3NZ.

E-mail: [mobiliec@anglianwater.co.uk](mailto:mobiliec@anglianwater.co.uk)

Tel: 01480 323585.

Please note: the mobile centre will only visit areas which are not within easy travelling distance of our static education centres at Chelmsford or Leighton Linlade Sewage Treatment Works. For example, the counties of Norfolk, Suffolk, Cambridgeshire, Northampton and Lincolnshire.
