Chelmsford Water Recycling Centre
129 Brook End Road South
Chelmsford
Essex
CM2 6NX

Anglian Water Contact:

Ellie Henderson
07809 084839

eHenderson@anglianwater.co.uk

What3words ///oasis.below.mash

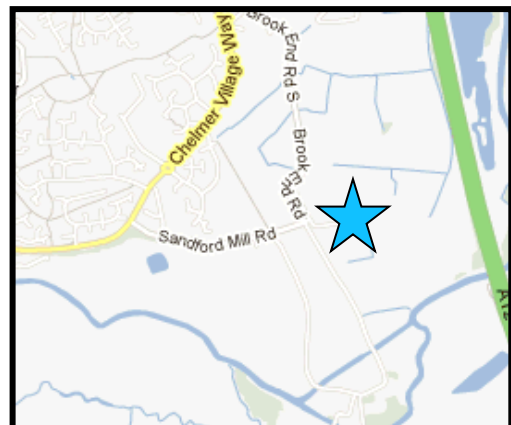

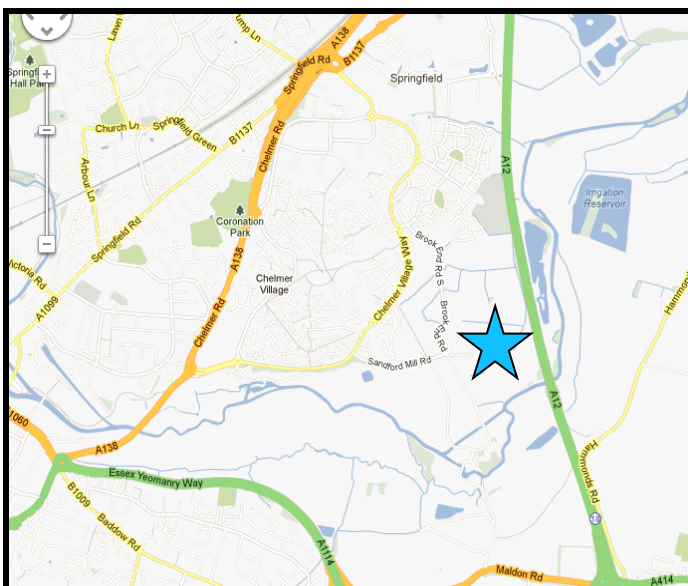

Preferred coach access: from Chelmer Village Way use Sandford Mill Road then follow Storms Way (clearly signposted on Chelmer Village Way as Anglian Water or AW treatment works).

Please pull up in front of the single storey building where the education centre staff member will come to greet you.

There is parking on site and toilets in the main building. Please wear high vis clothing when walking from coach to toilets. If you should wish to leave site during the day please let the education team know. It is a secure site so please close any gates behind you. Please make sure that the school have contact details (mobile phone number) to get hold of you in case of an emergency.

Please do not walk around the site. Some areas are very dangerous.
