New Mains Connection	For each subsequent 100 properties; the fee will apply	£796.00
New Mains Connection	Mains Design Fee 51-150 properties	£6,539.00
New Mains Connection	Mains Design Fee 151-250 properties	£7,335.00
New Mains Connection	Mains Design Fee 251-300 properties	£8,131.00
Offsite Design and Non-Standard Connections	Offsite Requisition Design Fee (≤500m)	£4,926.00
Offsite Design and Non-Standard Connections	For each subsequent 100 metres; the fee will apply	£796.00
Water Mains Diversion	Mains Diversion Design Fee (≤500m)	£6,855.00
Water Mains Diversion	For each subsequent 100 metres; the fee will apply	£796.00
Self-lay Mains	Self-lay Design Fee up to 50 properties	£5,743.00
Self-lay Mains	Self-lay Design Fee 51-150 properties	£6,539.00
Self-lay Mains	Self-lay Design Fee 151-250 properties	£7,335.00

Self-lay Design Assessment		
Self-lay Mains	Self-lay Design Vetting Fee up to 50 properties	£909.00
Self-lay Mains	Self-lay Design Vetting Fee for each subsequent 100 properties, the fee will apply	£114.00
Self-lay Mains	Self-lay Design Vetting Fee 51-150 properties	£1,023.00
Self-lay Mains	Self-lay Design Vetting Fee 151-250 properties	£1,137.00
Drainage Applications		
Buildover	Buildover Consultation Fee	£163.00
Buildover	Buildover Fee	£692.00
New Sewer Connection	Direct Sewer Connection-Vetting & Administration Fee	£549.00
New Sewer Connection	Indirect Sewer Connection-Vetting & Administration Fee	£285.00
New Sewer Connection	Lateral Drain-Vetting & Administration Fee	£407.00
Sewer Diversion (S185)	Minor Sewer Diversion Fee	£1,017.00
Sewer Diversion (S185)	Sewer Diversion Fee	£814.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Foul & Surface, up to 100 properties	£1,750.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Foul & Surface, 101-200 properties	£2,543.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Foul & Surface, 201-300 properties	£3,336.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Foul Only, up to 100 properties	£814.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Foul Only, 101-200 properties	£1,180.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Foul Only, 201-300 properties	£1,546.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Surface Only, up to 100 properties	£936.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Surface Only, 101-200 properties	£1,363.00
New Sewer Adoption (S104/Adoption Diversion (AD))	S104 Adoption Fee; Surface Only, 201-300 properties	£1,790.00
NAV & Pre Planning Applications		
NAV Combined	NAV Enquiry, Water & Wastewater	£741.00
NAV Water Only	NAV Enquiry, Water Only	£421.00
NAV WR Only	NAV Enquiry, Wastewater Only	£320.00
Point of Connection	SLP Capacity Check, Water Only	£421.00
Pre-Planning Enquiry Combined	Pre-Planning Enquiry Fee, Water & Wastewater	£741.00
Pre-Planning Enquiry Water Only	Pre-Planning Enquiry Fee, Water Only	£421.00
Pre-Planning Enquiry WR Only	Pre-Planning Enquiry Fee, Wastewater Only	£320.00

Where you request a design assessment, you will be required to pay the applicable design vetting fee. If you also require us to provide a source of water design, the offsite requisition / non-standard connection design fee will apply in addition. This fee covers the design of the offsite connection needed to connect your development to the existing network at your proposed point of connection.
