Dear Requester

Thank you for your request for information about dewatering of alum sludge, which we received on 23 April 2026. Your request has been considered under the Environmental Information Regulations 2004 (EIR).

You requested:

1. information on the dewatering of alum sludge

EIR Response: Provision of Requested Information

Item 1 is not held by Anglian Water.

Anglian Water does not hold any information on the dewatering of alum sludge. The coagulation is done with iron salts and not aluminium sulphate.

IMPORTANT: The information supplied to you continues to be protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing, and for the purposes of news reporting. Any other re-use (for example, commercial publication) would require the permission of the copyright holder. It is important that this data is not published for security reasons.

If you are unhappy with the service you have received in relation to your request and wish to request an internal review, you should email EIR@anglianwater.co.uk or write to:
